99% client retention

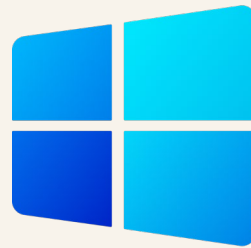

As a true testament to our ability to connect with our clients and provide a valuable service. 96% of clients surveyed are satisfied with our work.

100%

cloud focused

We are Microsoft Cloud experts and dedicated to this cloud platform - ALL of our infrastructure is 100% Microsoft Cloud.

100% certifications

FSi encourages 100% of our employees from the CEO to the Administrative staff to obtain Microsoft certifications around Microsoft 365 and Microsoft Azure.

what we do...

The Modern Workplace

We engage your users through Enterprise Mobility + Security, Windows 10, and Office 365.

Security & Compliance

With Training, Enterprise Mobility + Security and Azure Security Center, including advanced monitoring & alerting, we are at the forefront of Microsoft Cloud Security.

Monitoring & Management

Providing an in-depth view and alerting of your workstations, servers & network devices – giving us analytics to prevent downtime.

FSi Service Desk

Engaging users with an exceptional user experience through our friendly human-centric process. End User Support, Hardware Management, Application Support, Vendor Management, & Training.

Training & Adoption

Our Training and Adoption platform coupled with FSi's Microsoft Certified Trainers provides customized learning paths for employees.

FSi + the Modern Workplace

Engage your employees, Accelerate productivity and Collaboration while optimizing your environment securely.
